

Trek to Kasainath, Dodamarg in Maharashtra

A Report by Cedric Lobo,
Sr. Manager- HR & Admin

Employees of GKB Ophthalmics Ltd alongwith its member employees of group companies -GKB Vision and Prime Lenses went on a Trek at Kasainath, Dodamarg in Maharashtra on Sunday, 8th March 2015 as a part of their annual HR initiative.

They started the trek early in the day and upon reaching the spot started with their journey upwards for about one and half hour under guidance of Eco Treks, a NGO proficient in trekking field. It was a magnificent site atop the hill where one could see the Tillari irrigation canal on one side and greenery surroundings on the other. Though the climb was relatively steep the employees had a wonderful time with one of the company Directors, Mr. Gaurav Gupta accompanying them.

Later the employees assembled for a sumptuous lunch and returned happily around 5pm.
